

# Macy Gray, Slap A Bitch

Heres how the story goes  
And everyone can relate  
First time I came was when I masterbated  
When I was eight  
It was so great  
Mmmmm and when I was nine  
My mumma caught me doing it all of the time  
And I was K-I-S-S-I-N and playing doctors with my boyfriend  
When I was eleven  
And then I slap a bitch when I was thirteen  
Oh yeah, I slap a bitch  
She hollared ohhhhh ahhhh  
She like it like it how she slapped me back  
She said ohhhhhh ahhhh  
She like it like it how she slapped me back  
After college in my 20s  
I had a reputation because I was having it plenty  
I was premiscuois, till I fell in love  
He tied me down, locked me up when I was 26  
But still, yes I will slap a bitch  
Yes I'm for real yes I will slap a bitch  
She hollars ohhhh ahhhh  
She like it like it how she slapped me back  
She said ohhhhh ahhhh  
She like it like it how she slapped me back  
Round round lets go round shake it like a chili hot  
Cut it like a kill babe  
You may think I'm crazy  
I'm holiding it cause baby give me something I can feel  
All alone,  
Give me what you want, bring it home to me  
Cause I got to have it, got to have it  
Ohh ohhh  
And I will slap you bitch  
She like it like it how she slapped me back  
She said ohhhhhh ohhhh  
She like it like it how she slapped me back  
Ohhhhh ohhhhh  
She like it like it how she slapped me back  
She said ohhhh ohhhh  
She like it like it how she slapped me back, back back  
Oh just a little, just a little  
And I will slap you bitch!
