

Macy Gray, Smoke 2 Joints

She was living in a single room w3 other individuals,
One of them was a male, and the other two,
Well, hell the other two were females?
God only knows what they were up to in there,
And furthermore Susan I wouldn't be the least bit surprised to learn that all four of them
Babitually smokes marijuana cigarettes, reefers that is

I smoke two joints in the morning, I smoke two joints at night
I smoke two joints in the afternoon, it makes me feel alright
I smoke two joints in time of peace, and two at time of war
I smoke two joints before I smoke two joints, and then I smoke two more

Freaky, freaky, freaky
Smoked cigarettes 'til the day she died
Toke a big spliff of some good sensimillia
Smoked two cigarettes 'til the day she died
Freaky, freaky, freaky
"Easy-E were ya ever caught steppin'?" "Hell yaeh!"
Freaky, freaky, freaky
Freaky, freaky, freaky

Daddy he once told me: "You gotta be a hard working woman"
My mama she once told me: "You gotta do the best you can"
But then one day I met a man who came to me and said"
"Hard work good, hard work fine, but first take care of head"

I wanna celebrate
I wanna celebrate
I wanna celebrate

I think that was it
