

Macy Gray, Strange bahavior

This is the story,
about two people
in love.

We were happily married,
Until he waved a gun at me.
I said whats with all your strange behavior.
He said I love you babay
But you got a big insurance policy
And I really
Need the paper.

Strange behavior by the sea. (se-e-e)

He'd be here

But he's deceased

Strange behavior

I had a big insurance policy

And he had a big insurance policy,

Too!

I said baby if you get a job

You would not have to shoot me now.

He said Oh My God Your such a hata.

But then he chickened out,

I took the gun and shot him down

Cuz I really need the papa.

Strange behavior by the sea. (se-e-e)

He'd be here

But he's deceased

Strange behavior

What was I to do

Sometimes its me or you

I swear that I loved you baby

All I have to say so

I say so

cuz I'm rich now

SHHHHHHHHH

Drove his body to the sea

Kissed him on his cold cheek

I said I guess I see you later

And the people all asking me

I say he'd be here but he deceased

Then I go and spend my papa-a

Oh oh oh

Strange behavior by the sea. (se-e-e)

He'd be here

But he's deceased

Strange behavior

He'd be here

He's dead!
