

# Mad At The World, Bad Motives

Is it going to last forever?  
Our vicious need for vanity  
We applaud and cheer as others bleed  
Because they were our enemies  
Smiling as they die

If I hold a gun or own a mob  
Have I become an instant god?  
Can the biggest weapon give the right  
To redefine what's wrong or right?  
Don't make me laugh again

One more time (bad motives)  
In your mind, but will it ever change?  
One more time (bad motives)  
In your mind you're leaving God behind

We all say we're seeking tenderness  
With one-track minds of selfishness  
And when we tell that one that we love them  
We only want it back from them  
And so here it comes again

One more time (bad motives)  
In your mind, but will it ever change?  
One more time (bad motives)  
In your mind you're leaving (bad, bad)  
One more time (bad motives)  
In your mind, but will it ever change?  
(Bad motives)  
In your mind you're leaving
