

Mad At The World, It Can't Rain Forever

You are here
I am here

You are here, I am here
We go on year to year with more tears
You hate life, so did I
But I can't live that again, it's a sin

BRIDGE
I remember when
We were young and innocent
But lately I just cry
I have chosen to live a lie

CHORUS
The Sun is going to shine again
'Cause it can't rain forever
And emptiness and lonely nights
Are not what God intended
The Sun is going to shine again
'Cause it can't rain forever
Emptiness and lonely nights
Are not what God intended

One more day, no relief
Can't you see no belief is the thief?
God is here, God is everywhere
Try again, pray again to Heaven

BRIDGE
CHORUS

CHORUS

You hate life
So did I
