

Mad Crowd Disease, Losers Anthem

Talk to the geeks
Hated by the popular
I love the life
The life of being a loser

Look at me as though I'm different
Look at me as though I'm an alien
Why do you think that I hate you
Why can't you see I'm right in front of you

I feel like its never gonna happen
It seems as though the times never right
Never 1,2,3, only 3, 2, 1

Look at me as though I'm different
Look at me as though I'm an alien
Why do you think that I hate you
Why can't you see I'm right in front of you

One little look, it'll never f**king happen
One little look, it'll never f**king happen
