

Mad Dog Loose, Shiny Side

And everytime or everything
Or anyone and anything in this room tonight
Got a shiny side
Upon the second floor
We move we dance we sing a song
About love or about anyone
Oh we have fun today
A lovely song to play
We're working it out
Working it out now
Oh we have fun today
A lovely song to play
Baby gonna play
Baby gonna play now
Baby gonna play
ALRIGHT NOW
A fish a bird a view
Two persons who are new
In your room tonight
Got a shiny side
It seems the more I try
To figure it out
The more it vanishes into the night
But oh we have fun today
A lovely song to play
We're working it out
Working it out now
..
