

Mad Season, I Don't Know Anything

I don't know anything
I don't know anything
I don't know anything
I don't know who I am

I don't know anything
I don't know anything
I don't know anything
I don't know who I am

Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know, yeah

I don't know anything
I don't know anything
I don't know anything
I don't know who to be

I don't know anything
I don't know anything
I don't know anything
I don't know who I am

Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know
When the teacher put the ruler down on my hand
I laugh!
Cross my heart and hide reliever in trails of blood,
I love?!?

I don't know anything
I don't know anything
I don't know anything
I don't know who I am

I don't know anything
I don't know anything
I don't know anything
I don't know who to be

Why we have to live in so much hate everyday? Oh yeah
Why the fighting and the coming down, am I sane?
I don't know
When the teacher put the ruler down on my hand
I laugh!
Cross my heart and hide reliever in trails of blood,
I love?!?
