Mad Sin, Apes On Parade

salute the apes on parade

well there is something wrong with you, out of the blue you jump around like a mad girl in (hooves?) there's something wicked in your head, but it aint sad, i love you more and more and (then?) you're you wanna rip my throat infect me with your blood soon ... yeah ape creator, violator violator, ape creator gonna lose control, salute the apes on parade

well there the fire in my soul, and it glows, the ape in me will make you lose control i wanna rip your throat infect you with my blood soon you'll be a (member?) start to show yeah ape creator, violator violator, ape creator gonna lose control, salute the apes, heil the apes, salute the apes on parade

evolution brought it back, we go apeshit we will snap, ape attack ape creator, violator violator, ape creator, yeah, yeah, yeah ape creator, violator violator, ape creator gonna lose control, salute the apes on parade

hey, can you hear the trampling of our feet? echoing trough the valleys of the concrete jungle, we'r
