Mad Sin, Class Warpath

SO YO EL ALBOROTADORE!

class warpath (3x)

yeah it's a godless life, here in the shade of heaven so you gotta pick the best parts you can get and with satisfaction i'm following my track can you feel my eyes burning in your back gotta make your stand 'cause life's a game but if you learned the rules it's kinda easy to play so i'll be the bomb that explodes under the sun

CHORUS:

i'm gonna take the money and run (2x) i'm on a class warpath tonight

another town, another bank to plunder another ville thats owned by the wrong man the sheriff tried to put me six feet under but now there's nothing left but his rotten bones gotta make your stand 'cause life's a game but if you learned the rules it's kinda easy to play so i'll be the bomb that explodes under the sun

CHORUS: make it all mine till the morning light

CHORUS: my own war, my own war class warpath tonight class warpath stop. money or life - i take what i can get that's right man - BANG!
