

# Mad Sin, Dead Man Tell No Tales

i went for a ride and i really hate what i found  
too many geeks too many creeps too many assholes fuckin' around  
and sometimes they act funny but that completly fails  
i love to steal your oxygene cause dead man tell no tales

i remember that girl that stuck to me like glue  
the time i was at school i fooled her so bad  
i told her i would love her but that completly failed  
she overdosed on sleeping pills. dead girls tell no tales

they're knockin' on our tv screens and telling us stupid lies  
you can hear them on the radio singin' &quot;wop bop bopped di lie&quot;  
our hate makes them get impolite but that'S a bad failure  
i love to burn the stations down.you know dead man tell no tales

M.A.N.I.A.C. a product...

they're always kickin' at my door and they won't go away  
so my blood starts fuckin' boiling and the whole mess starts again  
and sometimes i feel sorry for beeing such a human waste  
but i feel the gallow waits.dead man tell no tales
