

# Madball, It's Time

The time has come for all to hear  
Madball's back so just beware  
The time has come to  
Set it all straight  
Speaking the truth because  
I got a lot of hate  
To all who got beef  
Get ready to fight  
The battle begun  
We'll show you who's right  
We're takin' over and  
We're letting you know  
The crew is runnin' the show  
It's time, time to  
Set the record straight  
Speaking the truth  
Cause I got a lot of hate  
In my mind you can't see  
What's going on  
We're taking over and  
Now you're time has come  
Time has come, I'm on the attack  
Ball of destruction is bringin'  
it back  
Hardcore lives through me  
The time has come for all to see  
To all who got beef  
Get ready to fight  
The battle begun we'll  
Show you who's right  
Takin' over and we're  
Letting you know  
The crew is runnin' the show
