[Girl]

We don't know
Get back on the road
Go baby go
Get back on the road

[Tshawe]

My people know about it
Liven, struggen and straven
And the dine is off the nine
Tranna keep up with the times
We seek but its hard to find
In these ridicolus times
Couse shit is in jaaaiiiil
Couse shit is amaaaaazing

[Yosef]

Say it to me if i said speek

had to tell lil man rock the boat
had to show lost ones where to go

[Chorus]

[Tshawe]

My people know about it
Liven, struggen and straven
And the world is off the lineeeee
Tranna keep up whit the time
and we seek but it's hard to find
in these ridicolus times
Couse shit is in jaaaiiiil
Couse shit is amaaaaazing

[PaperBoy]

(eyo)

eyo whenever they tell me life is easy
i tell'em back i knew that allready
To many dudes! and do them crazy
usely humans are way to selfish
Couse freezen our problms whit reasons
loosing our mind but time will heal
And loose like hide and seak
Just follow the signs you read

[Chorus 2x]

eyo we ridin and we dont know
and we over! Yo we try to get back on the road
i said we ridin but dont know where to go
aint it funny how we try to get back on the road (get back on the road)

[Tshawe]

If you haven't lost somebody
i geas you dont lost your money
And even if you are a survivor
I see you walken proud and shit
I feel youre pain more than little bit we in the same brobml and shit
Lets walk the flame together
And see how it ends finally

[Chorus]

eyo we ridin but we dont know
and we over! Yo we tryin get back on the road
