Madcon, Don't Worry (Feat. Ray Dalton)

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

I know we'll be alright Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

I'll take you to the future forget about the past You can keep all of your secrets I swear that I won't ask let go of all your troubles, I don't care where you've been the only thing that matters now is where the night will end

Them bright big lights are shining on us That beat so tight it makes you wanna get up get down like there's no tomorrow like there's no tomorrow like there's no tomorrow

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

I know we'll be alright Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

Let's get down to business and show me what you got just keep the record spinning the music never stops you wanna live forever and reach above the stars Let's take it to next level just light the space ship up

Them bright big lights are shining on us That beat so tight it makes you wanna get up get down like there's no tomorrow like there's no tomorrow like there's no tomorrow

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

I know we'll be alright Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

On the rooftop Surrounded by the stars and the views hot Ain't nobody thinking 'bout what you got Everything's ours, wanna dip? Get a new spot Don't worry, don't worry The night never ends, no hurry no hurry Shorty look thick and the lines get blurry And the nights in your palm so we might get dirty DJ, let the beat play, make a heat wave, when you replay this Tonight we gone party like its d-day Young and free saying this the one on my CK shit The Moon is the light Sky is the ceiling The low is the base and the high is the feeling The world is the club, all in cause we can This' one for the books don't worry bout a thang

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

I know we'll be alright Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing

Oh, we can own the night Don't worry 'bout a thing Don't worry 'bout a thing Don't worry 'bout a thing
