

Maddy Prior, Boney

Boney was a warrior
Wey, hey, ah
A warrior, a terrier
John Franois

He planned a distant enterprise
Wey, hey, ah
A great and distant enterprise
John Franois

He is off to fight the Russian bear
Wey, hey, ah
He plans to drive him from his lair
John Franois

They left with banners all ablaze
Wey, hey, ah
The heads of Europe stood amazed
John Franois

He thinks he'll beat the Russkies
Wey, hey, ah
And the Bonny Bunch of Roses.
John Franois

Boney was a warrior
Wey, hey, ah
A warrior, a terrier
John Franois
