

# Madeleine Peyroux, Always A Use

Maybe ain't no use in sayin' what I want it to be  
Maybe ain't no use in playin' a tune  
Maybe ain't no use in singin' my blues  
But there's always a use in you and me

Maybe ain't no use in watchin' through the window  
As the towns and our lives roll on by  
Maybe it ain't worth all the trouble in thinkin'  
But there's always use in you and I

We can make it true  
We can work on it too  
We can be what we want it to be  
We can be together  
As two or as three  
'cause there's always use in you and me

Maybe ain't no use in sayin' what I want it to be  
Maybe ain't no use in playin' a tune  
Maybe ain't no use in singin' my blues  
But there's always a use in you and me

We can make it true  
We can work on it too  
We can be what we want it to be  
We can be together  
As two or as three  
'Cause there's always use in you and me

Maybe ain't no use in watchin' through the window  
As the towns and our lives roll on by  
Maybe it ain't worth all the trouble in thinkin'  
But there's always use in you and I
