

Madeleine Peyroux, Hey Sweet Man

Hey sweet man
Who you give your lovin' to?
Hey sweet man
Who you give your lovin' to?
I gotta mind to love you
I'll love you through and through

Hey momma's child
Ain't you been waitin' for me?
Hey momma's child
Ain't you been waitin' for me?
I've gotta mind to love you
And my love won't leave you be

Hey sweet woman
I see you're searchin' too
Hey sweet woman
Ain't no man that love you
Hold on, pretty momma
Someday he'll be searchin' too

Well we need some lovin'
We need it oh-so-bad
We need some lovin'
We need it oh-so-bad

'Cause it's bad lovin', momma
It's the only thing we ever had
