

Madhouse, Like A Prayer

Life is a mystery
Everyone must stand alone
I hear you and call my name
And it feels like...home.

When you call my name
Its Like a little prayer
Im down and on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

I hear your voice
Its like an angel crying
I have no choice
I hear your voice
Feels like flying
I close my eyes
Oh God I think Im falling
Out of the sky
I close my eyes
Heaven help me!

When you call my name
Its Like a little prayer
Im down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

Like a child
You whisper softly to me
You're in control
Just like a child
Now Im dancing
Its like a dream
No end and no begining
You're hear with me
Its like a dream
Let the choir sing

When you call my name
Its Like a little prayer
Im down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

When you call my name
Its like a little prayer
Im down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

OH

OH
OH
OH

Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like Home.

Just like a prayer
Your voice can take me there
Just like it used to be
You are a mystery
Just like a dream
You are not what you seem
Just like a prayer
No choice, your voice can take me there

Just like a prayer, I'll take you there
Its like a dream to me x5
