

# Madina Lake, Pandora

the way you dance it turns me on  
but you know that i'm spoken for  
the way your sweat drips off your chest  
you know that i'm wanting more

the lust the sex to heat this sweat  
and nothing else matters  
you call my name without your dress

i already forgot her  
you have no idea what you do to me  
and you, you have no idea what your doing to me

pandora, i don't know how you carved your way into my heart  
and i don't know how you snuck your way into my house  
but i know that i'll regret what i did  
and i know i'll regret it forever as i throw my life away, pandora

the girl i love sits at home and i know that shes lonely  
but i'm watching you take off your clothes  
your the star of this movie  
the love the hate the guilt my fate is hanging in the balance  
you have no idea what you do to me  
oh you don't even care what you mean to me

pandora, i don't know how you carved your way into my heart  
and i don't know how you snuck your way into my house  
but i know that i'll regret what i did  
and i know i'll regret it forever as i throw my life away, pandora

and by the time that i come home shes already sleeping  
sit on the bed and take off my clothes  
my nerves their shaking  
the lust the sex to heat this sweat  
your body is quaking  
the love the hate the guilt might fade  
against this temptress

pandora, i don't know how you carved your way into my heart  
and i don't know how you snuck your way into my house  
but i know that i'll regret what i did  
and i know ill regret it forever as i throw my life away (forever as i throw my life away)  
forever as i throw my life away, pandora
