## Madina Lake, Pandora

the way you dance it turns me on but you know that i'm spoken for the way your sweat drips off your chest you know that i'm wanting more

the lust the sex to heat this sweat and nothing else matters you call my name without your dress

i already forgot her you have no idea what you do to me and you, you have no idea what your doing to me

pandora, i don't know how you carved your way into my heart and i don't know how you snuck your way into my house but i know that i'll regret what i did and i know i'll regret it forever as i throw my life away, pandora

the girl i love sits at home and i know that shes lonely but i'm watching you take off your clothes your the star of this movie the love the hate the guilt my fate is hanging in the balance you have no idea what you do to me oh you don't even care what you mean to me

pandora, i don't know how you carved your way into my heart and i don't know how you snuck your way into my house but i know that i'll regret what i did and i know i'll regret it forever as i throw my life away, pandora

and by the time that i come home shes already sleeping sit on the bed and take off my clothes my nerves their shaking the lust the sex to heat this sweat your body is quaking the love the hate the guilt might fade against this temptress

pandora, i don't know how you carved your way into my heart and i don't know how you snuck your way into my house but i know that i'll regret what i did and i know ill regret it forever as i throw my life away (forever as i throw my life away) forever as i throw my life away, pandora
