## Madina Lake, River People

i'll take your crystal ball and make this crystal clear, that i won't stand back and i won't drown right here i'll never wait i'll make a million mistakes but to be content is to be a disgrace

they crawl in your head they dig in your bones if you let them, they won't let go they have no hope they have no soul if you let them then they'll take yours

you think it feels better on the other side cause their grass is green and your grass is diseased every day drowns in lethargy but to be content is to burn way

they crawl in your head they dig in your bones if you let them, they won't let go they have no hope they have no soul if you let them then they'll take yours

when you die you want the world to remember you for who you really are and when you die you want to love yourself cause you'll be all alone

they crawl in your head they dig in your bones if you let them, they won't let go they have no hope they have no soul if you let them then they'll take yours they crawl in your head don't fear the unknown, cause you'll let the unknown take control so let yourself go, and let yourself grow don't you let 'em dig you a hole
