It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n
It's alright, if you wanna do me
It's alright, it's alright, it's alright

SAX BREAK

VERSE 1

Do you have a specialty?
Something a little cruel you'd like
To do to me?
I don't even know your name
And I'll probably never see you again

SAX BREAK

It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n
It's alright, if you wanna do me
It's alright, it's alright, it's alright

SAX BREAK

VERSE 2

Tell me something you like
'Cause tonight is the night
Leave you morals on the shelf
Would you like to watch me do myself?
It's alright, it's alright, it's alright

BREAK

It's alright, if you want me
It's alright, if you wanna touch me
It's alright, if you wanna lay me down 'n
It's alright, if you wanna do me
It's alright, it's alright, it's alright
