

# Madita, Monotony

Life becomes so flat, oh no  
Comes and goes an goes just up and down  
Never getting fat, not for long  
Comes and goes an goes just up and down

Pretending to death  
Screaming as loud as I can  
Steamy toilet  
Fleeing as fast as I can

Diao, didiao  
Love becomes a minor  
Diao, . . .  
Stepping into final

Love has touched me yes, not for long  
Comes and goes an goes just up and down  
Everything got messed, so long  
Comes and goes an goes just up and down

Defending my breath  
Breathing as fast as I can  
Steamy toilet  
Dreaming upset as I am

Diao, didiao  
Love becomes a minor  
Diao, . . .  
Stepping into final

Screaming Im screaming  
Upset as Im feeling  
I guess Im just dreaming and though  
I know  
Im dreaming and dreaming for sure  
But scared to beat it all
