

# Madness, Nightmare, Nightmare

Captain this ship is sinking I can't see the wood for the hole  
Captain well I've been thinking  
Why don't you give me just a little control

I call to the flying moon nnnn no no

You know I've been drinking when I call out to the flying moon  
Can you tell me am I still dreaming if you leave me not a moment too soon

I call to the flying moon nnnn no no

Jump with me out of this nightmare nightmare  
Why don't you jump with me out of this nightmare nightmare

I know this world is turning but I can't keep my feet on the floor  
Sometimes the air is burning and I hear a knock on someone else's door

I call to the flying moon nnnn no no

Jump with me out of this nightmare nightmare  
Why don't you jump with me out of this nightmare nightmare

Don't let go  
Don't let go

Somewhere around a bonfire under the withering starry sky  
I'll meet you beneath the moonlight and we'll jump as the wind blows by

And we'll call to the flying moon

Jump with me out of this nightmare nightmare  
Why don't you jump with me out of this nightmare nightmare

Don't let go hold on tight  
Don't let go hold on tight  
Don't let go hold on tight  
Don't let go hold on tight

Don't let go
