

# Madness, Shadow On My House

I loved the girl but I messed her up.

Now she's with another so I've found.

They say &quot;better to have loved and lost, than not have loved at all&quot;.

But much more than my foolish pride, has took a fall.

They all tell me about, mistakes that I have made.

And I have no doubt, my hand was overplayed.

There's a shadow on my house, the window's shed no light.

Since you've gone it seems so wrong, I can't tell day from night.

All too late I have learnt.

Burn the candle at both ends and you'll get burnt.

How could there be, a fool such as i?

To let you walk away, out of my life.

Sitting here alone all the days seem the same.

I don't know how much longer I can stand the pain.

There's a shadow on my house, the window's shed no light.

Since you've gone it seems so wrong, I can't tell day from night.
