

# Madonna, Impressive Instant

Universe is full of stars  
Nothing out there looks the same  
You're the one that I've been waiting for  
I don't even know your name

I'm in a trance  
I'm in a trance

Cosmic systems intertwine  
Astral bodies drip like wine  
All of nature ebbs and flows  
Comets shoot across the sky  
Can't explain the reasons why  
This is how creation goes

I don't want nobody else  
All the others look the same  
Galaxies are sliding into view  
I don't even know your name

I'm in a trance  
And the word is spinning  
Spinning baby out of control  
I'm in a trance  
I let the music take me  
Take me where my heart wants to go

Kiss me  
Kiss me

I like to singy singy singy  
Like a bird on a wingy wingy wingy  
I like to rhumba rhumba rhumba  
Dance to a samba samba samba

I'm in a trance  
And the world is spinning  
Spinning baby out of control  
I'm in a trance  
I let the music take  
Take me where my heart wants to go
