

# Madonna, Into The Hollywood Groove (The Pass

(feat. Missy Elliott)

[Missy Elliott]

Unh  
Aww, who that be?  
Misdameaner on the M-I-C!

[Madonna]

Get into the groove  
Let me show you some moves  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be

Everybody comes to Hollywood  
They want to make it in the neighborhood  
They like the smell of it in Hollywood  
How could it hurt you and it looks good?

[Missy Elliott]

Misdameaner on the M-I-C  
I got the fresh kicks, thick hips, best believe  
Me and Madonna about to hurt them like a tag team  
You're going to love us in our new GAP jeans  
Walk by, people ask, where'd you get those jeans?  
On fire, call emergency  
G-A capital P, you should know how we...

[Madonna]

Get into the groove  
Let me show you some moves  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be

Going to get to know you in that special way  
This doesn't happen to me everyday  
Don't try to hide it  
Love knows no disguise  
I see the fire burning in your eyes  
Only when I'm dancing can I feel this free  
At night, I lock the doors, where no one else can see  
I'm tired of dancing here all by myself  
Tonight I want to dance with someone else

Get into the groove  
Let me show you some moves  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be

[Missy Elliott]

Let me go and do my thing  
I bring it hard on the track if you know what I mean  
Hollywood and New York, Madonna is the queen  
And misdameanor say...

[Madonna]

Live out your fantasy here with me  
Just let the music set you free  
Touch my body, and move in time  
Now I know you're mine  
Now I know you're mine  
Now I know you're mine  
Now I know you're mine  
Now I know you're mine  
You got to...

Get into the groove  
Let me show you some moves  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be

Get into the groove  
Boy you've got to prove  
Your love to me  
Get up on your feet  
Let's step to the beat  
Boy, what will it be?

(You got to...)  
Get into the groove  
Let me show you some moves  
Best to take it from me, yeah  
Get up on your feet  
Let me step to the beat  
Show you how it should be
