

# Madonna, Messiah

I am the promise  
That you cannot keep  
Reep what you sow  
Find what you seek

I am the sorceress  
Down in the deep  
Under your feet

I am moon with no light of my own

You are the sun guarding your throne

I heard the angels whisper to me  
Look for the signs  
He is the one

I'll light a candle here in the dark  
Making my way  
To your heart
