

# Madonna, Nobody Knows Me (Mount Sims Old S

No ones telling you how to live your life  
But it's a set up, until you're fed up  
Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me  
Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me

I've had so many lives since I was a child  
And I realize how many times I've died  
I'm not that kind of guy  
Sometimes I feel shy  
I think I can fly, closer to the sky

Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me  
Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me

This world is not so kind  
People trap your mind  
It's so hard to find someone to admire

Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me  
Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me

I sleep much better at night  
I feel closer to the light  
Now I'm going to try to improve my life

I don't want no lies  
I don't watch t.v.  
I don't waste my time  
Won't read a magazine

I don't want no lies  
I don't watch t.v.  
I don't waste my time  
Won't read a magazine

I don't want no lies  
I don't watch t.v.  
I don't waste my time  
Won't read a magazine

I don't want no lies  
I don't watch t.v.  
I don't waste my time  
Won't read a magazine

No ones telling you how to live your life

But it's a set up, until you're fed up  
It's no good when you're misunderstood  
Well why should I care what the world thinks of me?  
Won't let a stranger give me a social disease

Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me  
Nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me
