

Madonna, Nothing Really Matters

When I was very young
Nothing really mattered to me
But making myself happy
I was the only one

Now that I am grown
Everything's changed
I'll never be the same
Because of you

[Chorus:]

Nothing really matters
Love is all we need
Everything I give you
All comes back to me

Looking at my life
It's very clear to me
I lived so selfishly
I was the only one

I realize
That nobody wins
Something is ending
And something begins

[chorus, repeat]

Nothing takes the past away
Like the future
Nothing makes the darkness go
Like the light

You're shelter from the storm
Give me comfort in your arms

[chorus, repeat and fade]
