

# Madonna, Take A Bow

Take a bow, the night is over  
This masquerade is getting older  
Light are low, the curtains down  
There's no one here  
[There's no one here, there's no one in the crowd]  
Say your lines but do you feel them  
Do you mean what you say when there's no one around [no one around]  
Watching you, watching me, one lonely star  
[One lonely star you don't know who you are]

Chorus:

I've always been in love with you [always with you]  
I guess you've always known it's true [you know it's true]  
You took my love for granted, why oh why  
The show is over, say good-bye

Say good-bye [bye bye], say good-bye

Make them laugh, it comes so easy  
When you get to the part  
Where you're breaking my heart [breaking my heart]  
Hide behind your smile, all the world loves a clown  
[Just make 'em smile the whole world loves a clown]  
Wish you well, I cannot stay  
You deserve an award for the role that you played [role that you played]  
No more masquerade, you're one lonely star  
[One lonely star and you don't know who you are]

(chorus, repeat)

Say good-bye [bye bye], say good-bye

All the world is a stage [world is a stage]  
And everyone has their part [has their part]  
But how was I to know which way the story'd go  
How was I to know you'd break  
[You'd break, you'd break, you'd break]  
You'd break my heart

I've always been in love with you  
[I've always been in love with you]  
Guess you've always known  
You took my love for granted, why oh why  
The show is over, say good-bye

(chorus)

Say good-bye [bye bye], say good-bye  
Say good-bye
