

# Madonna, Veras (You'll See)

Tu piensas que yo no podre vivir sin ti

Tu piensas no podra sobrevivir

Que nada me queda, si no estas junto a mi

Veras que no es asi

Tu piensas que jamas sere feliz sin ti

Que destruiste al fin mi corazon

Que no voy a descubrir la forma de volver atras

Sin ti, yo se que si

[Estribillo:]

Ya lo veras

No necesito a nadie mas

Podre resistir

Voy a poder seguir

Lo hare por mi

Sera mi gloria personal

Nadie, ni tu, me la podra quitar

Veras

Acepta la verdad, no llorare por ti

Yo se que asi sera, podre salir

Voy a saltar sin red, y no voy a caer

Sera mejor sin ti

[estribillo]

Veras

You think I won't be able to live without you

You think: she won't be able to survive

That I have nothing left if you're not by my side

You'll see, it's not like that

You think I'll never be happy without you

That finally you destroyed my heart

That I won't find my way back

Without you, I know I will

[Chorus:]

You will see

I don't need anyone else

I will resist

I'll manage to go on

I'll do it for myself

It will be my personal glory

No one, not even you, can take it from me

You'll see

Accept the truth, I will not cry for you

I know it'll be so, I will pull through

I'll jump without a net, and I'm not going to fall

It will be better without you

[chorus]

You'll see
