

# Madvillain, Shadows Of Tomorrow (feat Lord Quasimoto)

[Lord Quasimoto]

Today is the shadow of tomorrow  
Today is the present future of yesterday  
Yesterday is the shadow of today  
The darkness of the past is yesterday  
And the light of the past is yesterday  
The days of yesterday are all numbered in sum  
In the world once  
Because once upon a time there was a yesterday  
Yesterday belongs to the dead  
Because the dead belongs to the past  
The past is yesterday  
Today is the preview of tomorrow but for me  
Only for my better and happier point of view  
My point of view is the thought of a better or try  
Reality is today of eternity  
The eternity of yesterday is dead  
Yesterday is as one  
The eternity of one is the eternity of the past  
The past is once upon a time  
Once upon a time is past  
The past is yesterday today  
The past is yesterday today  
While we're searchin for tomorrow

[Madlib]

The light of the past is the light which was  
The wisdom of the past is the light of the past  
The light of the future is the light which is to be  
The wisdom of the future is the light of the future see  
Yesterday belongs to the dead  
Tomorrow belongs to the living  
The past is certified as a finished product  
Anything which has ended is finished  
That which is perfect is finished  
The perfect man is no exception to the rule  
The perfect man of the past is made according to the rule of the past  
The rule of the past is a law of injustice and hypocrisy  
The revelation of the meaning of the law is revealed through the law itself  
The wisdom of the past is the light of the past  
The light which is to be the wisdom of the future  
The light of the future casts the shadows of tomorrow  
Sun raw  
Sun raw
