

Mae Muller, I Wrote A Song (Eurowizja 2023 - Wi

When you said you were leaving
To work on your mental health,
You didn't mention the cheating (yeah)
You kept that one to yourself
I got so mad was gonna..

Cuss you out,
Outside your house
For everyone to see,
Wanted to
Trash your Benz,
Tell all your friends
How cruel you were to me..

Instead I wrote a song,
'Bout how you did me wrong
I could have cried at home
And spent the night alone
Instead I wrote a song,
I feel much better now,
Me and my girls are out,
And we all sing along
Instead I wrote a song..

Da da da dada da.. Instead I wrote a song x 3

Kept my cool and composure,
My mother would be so proud,
I was ready for a sentence baby,
Instead I wrote it all down,
Oh I was gonna..

Cuss you out,
Outside your house
For everyone to see,
Wanted to
Trash your Benz,
Tell all your friends
How cruel you were to me..

Instead I wrote a song,
'Bout how you did me wrong
I could have cried at home
And spent the night alone
Instead I wrote a song,
I feel much better now,
Me and my girls are out,
And we all sing along
Instead I wrote a song..

Da da da dada da.. Instead I wrote a song x 3

Look into my eyes,
She's feeling good, she feels alive,
So don't you call my phone tonight, tonight,
tonight,
No lie, got a kick,
Telling the world, just what you did,
I'm better now, I burned the bridge,
Raising a glass, taking a sip.
Let's celebrate, Dance it away, I thought my
heart would break...

Chorus:

Instead I wrote a song,
'Bout how you did me wrong
I could have cried at home
And spent the night alone
Instead I wrote a song,
I feel much better now,
Me and my girls are out,
And we all sing along
Instead I wrote a song..
