Suburban Rhonda  
don't be so smart  
Suburban Rhonda  
don't act so sharp  
Suburban Rhonda  
you'll wreck your heart  
Suburban Rhonda  
you'll wreck your heart

You could be just vain and live alone  
on Separation Street  
but if you did you know your life  
would be incomplete  
the tenements of disrepute  
don't eye them longingly  
I want to be the one  
to put you out of your misery

Suburban Rhonda ...
