

Magdalena Bay, Domino (Spanish Version)

I love a winner
You bear your weight in gold
Runt of the litter
I'll never bear my soul
But ah
You dance, you dare, you move
But you're stone
Oh ah
You dance, you dare, you move
But you're stone, you know
So we say goodnight, say goodnight
Is it by design, by design?
Quién lo decidió? I don't know
Domino, ha ha
So we say goodnight, say goodnight
Is it by design, by design?
Quién lo decidió? I don't know
Domino, ha ha
Domino, ha ha
Domino, ha ha
Fall on the trigger
The physics in control
But ah
You dance, you dare, you move
But you're stone
Oh ah
You dance, you dare, you move
But you're stone, you know
So we say goodnight, say goodnight
Is it by design, by design?
Quién lo decidió? I don't know
Domino, ha ha
So we say goodnight, say goodnight
Is it by design, by design?
Quién lo decidió? I don't know
Domino, ha ha
Domino, ha ha
Domino, ha ha
