

# Magdalena Bay, The Beginning

He was a lonely cynic  
No hero nor a villain inside  
Until he had a vision  
She had golden eyes and spoke her mind:

Now easy livin', it sets you free!  
You'll rediscover simplicity  
His cynicism gave way to be  
Raindrops in every color

So if you feel low  
Sit back, enjoy the show  
Like a kaleidoscope  
In technicolor tonight

So if you think you're finished  
Go back to The Beginning and find  
That everybody needs a little help  
From time to time  
Just look inside

Now easy livin', it sets you free  
You'll rediscover simplicity  
Cause cynicism gives way to be  
Raindrops in every color

So if you feel low  
Sit back, enjoy the show  
Like a kaleidoscope  
In technicolor tonight

Matt, go back to sleep  
I think I've finally got it all figured out  
Like a butterfly floating in amber  
We've made this moment:  
ETERNAL

So if you feel low  
Sit back, enjoy the show  
Like a kaleidoscope  
In technicolor tonight
