

Magdalena Sałata, Shivers (The Voice of Poland)

I took an arrow to the heart
I never kissed a mouth that tastes like yours
Strawberries and then something more
Ooh yeah, I want it all

Lipstick on my guitar
Fill up the engine, we can drive real far
Go dancing underneath the stars
Ooh yeah, I want it all

Mmm, you got me feeling like

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like I
Like my soul's on fire
I wanna stay up all day and all night
Yeah, you got me singing like

Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

And we'll say
Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

Into the car
On the backseat in the moonlit dark
Wrap me up between your legs and arms
Ooh, I can't get enough

You know you could tear me apart
Put me back together and take my heart
I never thought that I could love this hard
Ooh, I can't get enough

Mmm, you got me feeling like

I wanna be that guy
I wanna kiss your eyes
I wanna drink that smile
I wanna feel like I
Like my soul's on fire
I wanna stay up all day and all night
Yeah, you got me singing like

Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

And we'll say
Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks

And when they say the party's over then we'll bring it right back

Baby, you burn so hot
You make me shiver with the fire you got
This thing we started, I don't want it to stop
You know you make me shiver-er-er

Baby, you burn so hot
You make me shiver with the fire you got
This thing we started, I don't want it to stop
You know you make me shiver

Yeah, you got me singing like

Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

(Oh no) And we'll say
Ooh, I love it when you do it like that
And when you're close up
Give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back, hey
