

Magdi R, Unsubstantial blues

How many times have - you fooled me and denied that
It's her whom you love and it sure isn't me?
So now that it's over - I'll try and take it sober
Leave questions unasked, remember us laughing' at the broken past
God, if I could make it on without you
You're such a casual man, oh wavin' an empty hand
I'm helpless and I'm lonely without you
Yes you're a casual man, lendin' an empty hand
Left me breathless with nothing more to lose
I used to dream we'd - take it nice and easy
Get jobs settle down in Jameson Town
If now you could see me - you'd think twice about leavin'
Y' said forever is the time you're gonna spend around
So why did you leave me? And why should I believe it?
Y' said goodbye! Oh why did you leave me? Why?
You're such a casual man, oh wavin' an empty hand
I'm helpless and I'm lonely without you
Casual man, lendin' an empty hand
I'm helpless and I'm lonely without you
You're such a casual man, lendin' an empty hand
Left me breathless with nothing more to lose
Except an evanescent unsubstantial blues...
