

# Magenta, The One

(He's the one)

You are the one I'll always want  
The one for me

There was a time when I was searching for the one  
I could not find the one for me  
'Cause you were gone

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

(What is --inaudible--)  
(Sacrifice is life)

The time went by  
I didn't know  
'Cause I was gone  
I spent my life searching for you  
My only one

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

[Instrumental]

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

(What is --inaudible--)  
(--inaudible--)  
(--inaudible--)  
(Sacrifice is life)

You are the one I'll always want  
The one for me

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

You are the one for me  
My only love, eternally  
You are the one I'll always want  
The one for me

The one... [echo]
