

Magenta, Untouchable

I want it all but your simplicity
its all so easy me, you
Infinity

Then I felt invisible
Unbreakable
Untouchable
I want my love to have it all
You own my soul

I'm losing power
I'm giving it away
So let's elope now baby
What do you say?

Then I felt invisible
Unbreakable
Untouchable
I want my love to have it all
You own my soul

Then I felt invisible
Unbreakable
Untouchable
I want my love to have it all
You own my soul

Then I felt invisible
Unbreakable
Untouchable
I want my love to have it all
You own my soul

Then I felt invisible
Unbreakable
Untouchable
I want my love to have it all
You own my soul
