

# Maggie Bell, After Midnight

After midnight we're gonna let it all hang out  
After midnight we're gonna chug-a-lug and shout  
We're gonna cause talk and suspicion  
Give 'em an exhibition  
Find out what it is all about

After midnight we're gonna let it all hang out  
After midnight gonna shake your tambourine  
After midnight gonna be peaches and cream  
We're gonna loose our inhibitions  
Start a new superstition

Find out what it's all about  
After midnight we're gonna let it all hang out

Cause talk and suspicion  
Give 'em an exhibition  
Find out what it is all about  
After midnight, we're gonna let it all hang out  
After midnight, we're gonna let it all hang out  
After midnight, we're gonna let it all hang out
