

Maggie Lindemann, all around me (flyleaf cover)

My hands are searching for you
My arms are outstretched towards you
I feel you on my fingertips
My tongue dances behind my lips for you
This fire rising through my being
Burning I'm not used to seeing you

I'm alive, I'm alive

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing

My hands float up above me
And you whisper you love me
And I begin to fade
Into our secret place
The music makes me sway
The angels singing say we are alone with you
I am alone and they are too with you

I'm alive, I'm alive

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing

So I cry (Holy)
The light is white (Holy)
And I see you

I'm alive, I'm alive
I'm alive

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healing

Take my hand
I give it to you, now you own me
All I am, you said you would never leave me
I believe you I believe

I can feel you all around me
Thickening the air I'm breathing
Holding on to what I'm feeling
Savoring this heart that's healed
