Maggie Lindemann, all around me (flyleaf cover)

My hands are searching for you My arms are outstretched towards you I feel you on my fingertips My tongue dances behind my lips for you This fire rising through my being Burning I'm not used to seeing you

I'm alive, I'm alive

I can feel you all around me Thickening the air I'm breathing Holding on to what I'm feeling Savoring this heart that's healing

My hands float up above me
And you whisper you love me
And I begin to fade
Into our secret place
The music makes me sway
The angels singing say we are alone with you
I am alone and they are too with you

I'm alive, I'm alive

I can feel you all around me Thickening the air I'm breathing Holding on to what I'm feeling Savoring this heart that's healing

So I cry (Holy) The light is white (Holy) And I see you

I'm alive, I'm alive I'm alive

I can feel you all around me Thickening the air I'm breathing Holding on to what I'm feeling Savoring this heart that's healing

Take my hand I give it to you, now you own me All I am, you said you would never leave me I believe you I believe

I can feel you all around me Thickening the air I'm breathing Holding on to what I'm feeling Savoring this heart that's healed
