

Maggie Reilly, Man In The Rain

You're the one who's nearly breaking my heart.
Had your chance, you just threw it all away.
Living in a world that you could never be a part of
And never time to walk away

CHORUS

You can't stay, no you can't stay
You're no loser there's still time to ride that train
And you must be on your way tonight
Think anew right through, you're a man in the rain

What'se the use in hanging 'round these walls
Lamps are burning, but nobody's at home
There's a new day dawning as a cold rain falls
And now's the time to walk alone

:Repeat chorus:

How's it feel when there's time to remember
Branches bare, like the trees in November

Had it all, just threw it all away
Now's the time to walk away

:Repeat chorus:

How's it feel when there's time to remember
Branches bare, like the trees in November

How's it feel when there's time to remember
Branches bare, like the trees in November

:Repeat chorus:

Threw it all away, threw it all away
And now's the time to walk away

:Repeat chorus:
