

# Maggie Reilly, So Far Away

So far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
Doesn't help to know  
You're just time away

Long ago I reached for you and there you stood  
Holding you again could only do me good  
How I wish I could  
But you're so far away

One more song about movin' along the highway  
I can't say much of anything that's new  
And if I could only work this life out my way  
I'd rather spend it bein' close to you  
But you're so far away

Doesn't anybody stay in one place anymore  
It would be so, so fine to see your face at my door  
It doesn't help to know  
You're so far away

Travelin' around it gets me down and lonely  
There's nothin' else to do but close my mind  
But I sure hope these roads don't come to own me  
Yet so many dreams that I've yet to find  
But you're so far away

Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
And it doesn't help to know  
You're so far away

Oh, you're so far away...  
Oh, you are just time away  
You are so...
