

Maggie Reilly, So Far Away

So far away
Doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
Doesn't help to know
You're just time away

Long ago I reached for you and there you stood
Holding you again could only do me good
How I wish I could
But you're so far away

One more song about movin' along the highway
I can't say much of anything that's new
And if I could only work this life out my way
I'd rather spend it bein' close to you
But you're so far away

Doesn't anybody stay in one place anymore
It would be so, so fine to see your face at my door
It doesn't help to know
You're so far away

Travelin' around it gets me down and lonely
There's nothin' else to do but close my mind
But I sure hope these roads don't come to own me
Yet so many dreams that I've yet to find
But you're so far away

Doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
And it doesn't help to know
You're so far away

Oh, you're so far away...
Oh, you are just time away
You are so...
