

Magic Dirt, Rebel

Face goes red
I forget what I said
Always think
There's something wrong
Cool number one

Scared of the dark
I can see

Can't plug it in
Don't waste a sin
Thought I was great
Comin' home late
Rushin' around
Head on the ground
Never as before

I'm at the door
Don't wanna go back
Can't go back
One more time
Can't go back
One more time

I'm a rebel
Throwing my wing
I'm a rebel
Comin' in
I'm a rebel
One more time
I'm a rebel
Throwing my wing
I'm a rebel
Comin' in
I'm a rebel
Throwing my wing
Can't plug it in
I'm a rebel
I'm a rebel
