

# Magic Dirt, The Kiss

It's hard to be the one to tell you this  
I lied you know I'm still in love with you  
I hate to love someone instead of you it's true  
I fake it every chance I get  
And you know it's hard to stay away from you  
It's true  
I'm obsessive and you're colour proof  
My love I know your hand will be covered up in gold and I don't wanna be a part of it  
I hate to be the one with the least amount of control  
I'm scared of losing you for good and you know, it's hard to stay away from you  
It's true  
I'm obsessive and you're colour proof  
It's hard to be the one to tell you this  
I know you know I'm still in love with you  
I know you know there's no getting over you  
I know you know I'm still in love with you.
