

Magnapop, Piece Of Cake

In my mind
I see blue skies falling down
Escape my mind
Erase the seas I prayed for
And breathe in pain
A special motion for the brain
To generate
Enthusiasm for me

A piece of cake
A separate motion for the brain
To generate
The search continues I am

Carelessly
Reject the moment it's too late
Search and hide, can I
Search and hide but it's a

A piece of cake
A separate motion for the brain
To generate
Enthusiasm for me

In my mind
I reject the form of me
And every kind
Enthusiastic I remain

A piece cake
A separate motion for the brain
To generate
Enthusiasm for me

A piece of cake
To generate
A piece of cake
To generate
